

Drive-Through Stations of the Cross

During this time of Lent and social distancing, St. Francis of Assisi invites you to pray the Stations of the Cross without having to leave your vehicle. On Good Friday, between 9:00 a.m. and 5:00 p.m., parishioners may enter the parking lot at the northeast entrance (by school playground) and will proceed around the church to visit all 14 stations. Below you will find a link to an optional worship aid as well as a map and safety guidelines. After the final station, please exit on to Ashworth Road using the southeast exit.
