

## Grow

We invite households to GROW in their faith by completing 2-3 activities from below that reinforce the month's theme. Please choose the activities that appeal to your household members.

**March Theme:** From darkness to light

**Scripture:** *"I am the light of the world."* –John 8:12

**Past Months** –Link to activities and replays from previous months

## Lent in a Bag

Continue your Lenten journey using the "Lent in a Bag" that was in your Take Away Bag last month. On March 10 we will begin week 4 of Lent. Allow your household to touch and feel the items and come to know what each one symbolizes.

## Stations of the Cross

Join us in person for Stations of the Cross in the church on Sunday, March 21 from 5:00 -6:00pm.

If you would prefer, you may set up Stations of the Cross in your home and pray the prayers with your household members. Print out these **Stations of the Cross coloring sheets**. There is a picture for each station and can be used in black and white or the pictures can be colored. Hang them up around your house or outside and pray the Stations of the Cross using the **guide book** in your Take Away Bag.

## Live the Triduum

Check out your **Triduum in Domestic Church** handout in your Take Away Bag. This is a beautiful resource to use as you live through the Triduum in your home. It was written last year during the height of the pandemic when churches were shut down. It is full of simple and beautiful ideas and resources for you and your household to choose from to truly experience the Triduum in your home to supplement the liturgies we can now celebrate in the church.
