

Dinner Table Conversation

Eating dinner around the table together is often a time when the most important family conversations take place. Take advantage of this by jumpstarting the discussion to center around family and faith. Below are some questions you might use with small children.

- God made every family unique and special. What is special about our family?
- What is your favorite way for our family to pray together?
- What do you think our family and friends in heaven are doing right now?
- God tells us to love another. What is one thing you can do to show love, kindness, and care to others?
- If you could ask God one thing today, what would it be?
- How do you know when God is talking to you?
