

Prayer for Together in Faith

Loving and Gracious Father we come before you in humble supplication,
and ask for the intercession of our Blessed Mother Mary
that you rain down your heavenly blessing upon our new *Together in Faith* program.

Father you are the source of all true wisdom and faith,
lift up our parish households and give them courage to enter into this new program
so that together with you, we build up the Domestic Church.

Guide our Catechist, staff and volunteers who strive to make you known not just to the children,
but to the entire household. Help our faith blossom so that you can bring healing to our world
through the joy of the Gospel.

Help us Father to turn this difficult time of the pandemic
into an opportunity to redirect our minds and hearts to our One true source of love,
which brings your light to a darkened world.

We ask this of you Father through your Son, our Lord Jesus Christ.

Amen
