

ST. FRANCIS MISSION PRAYER

Heavenly Father,

all glory and honor is yours!

Thank you for the gifts of faith and community we share
at St. Francis of Assisi Parish here in West Des Moines!

We praise you for your wisdom and guidance
as we continue planning our October mission,
The Holiness Revolution, with Dan DeMatte!

We are especially grateful for leadership in promotion,
youth, childcare, music and liturgy, hospitality, and prayer teams!

We continue praying for leadership with our service project,
as well as servant hands to help with all these teams.

Help us to see how we can serve you in this mission
while serving our families and secular responsibilities, too.
Inspire us to call or email the Parish Office for information!

Most importantly, we pray for our parishioners and neighbors
in our community to feel welcome at St. Francis during our mission.

Open our hearts to receive the message you desire
each of us to hear, and inspire us to be your hands,
your feet, your voice, and your heart to each other!

We offer these prayers in the name of your son, Jesus Christ. Amen.
